

# Composite

## Privacy Policy

This privacy policy applies to the Composite app (hereby referred to as "Application") that was created by Morten Perriard (hereby referred to as "Service Provider") as a Commercial service. This service is intended for use "AS IS".

## Information Collection and Use

The Application may collect crash reports, including information such as:

- The operating system you use on your device
- Hardware details such as amount of memory and cpu type
- When and where in the application the crash happened

The Application does not gather information about your location or personal details.

## Third Party Access

Only aggregated, anonymised data can be transmitted to external services to aid the Service Provider in improving the Application and their service. The Service Provider may share such information with third parties in the ways that are described in this Privacy Policy.

## Opt-Out Rights

You can stop all collection of information by the Application easily by uninstalling it, using the standard uninstall processes as available on your device.

## Changes

This Privacy Policy may be updated from time to time for any reason. The Service Provider will notify you of any changes to the Privacy Policy by updating this page with the new Privacy Policy. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

**Your Consent**

By using the Application, you are consenting to the processing of your information as set forth in this Privacy Policy now and as amended by us.

**Contact Us**

If you have any questions regarding privacy while using the Application, or have questions about the practices, please contact the Service Provider via email at [morten@perriard.dk](mailto:morten@perriard.dk).
